

# 32 FEET OF PURE FREEDOM. CRUISER 32.

Designed by Farr Yacht Design and BMW Group DesignworksUSA.

---

# DON'T PLAN AHEAD. EXCEPT TO LEAVE EVERYTHING BEHIND.

---

“The Cruiser 32 impresses with a sophisticated and well thought-out design and hull concept, which offers great space on deck and below. In close cooperation with Farr Yacht Design and BMW Group DesignworksUSA we have created a dream boat for everyone.”

Andres Cardenas, CEO Bavaria Yachtbau GmbH

---

The modern hull does not only boast aesthetic, clean lines in design but also combines good sailing qualities, including easy handling, with maximum spacious generosity on deck and below. It is thanks to this combination that the Cruiser 32 allows for maximum fun on the water.

The unique concave deck layout featuring the lateral bend makes the boat look longer and smoother while at the same time increasing interior space. The angularly positioned port lights enhance sunlight in the salon to a great extent.

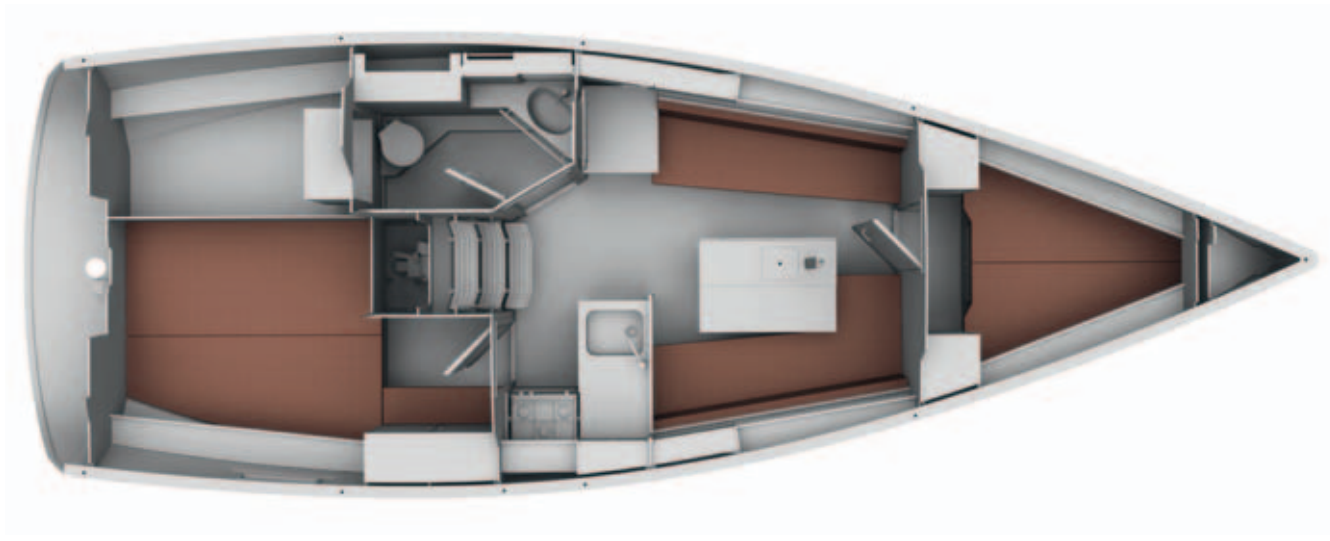

---

## CRUISER 32. WE THOUGHT BEYOND THE BOUNDARIES OF BOW AND STERN.

---

“The Cruiser 32 is a fantastic opportunity to continue the development work Farr Yacht Design has undertaken together with Bavaria and BMW Group DesignworksUSA. At 32 feet there are certainly challenges to incorporate the vast deck and interior living spaces we want to have in this new line of boats. We have been able to achieve those goals while also offering improved performance and safety characteristics that one should expect from a Farr Yacht Design product.”

Patrick Shaughnessy, President Farr Yacht Design Ltd.

---

Down below you will find a salon featuring a kitchen, a chart table and a lavish, inviting settee around the salon table. The settee can be used as berths for sleeping. In addition, there is a forecabin, a spacious aft cabin boasting a hull window and a large T-room.

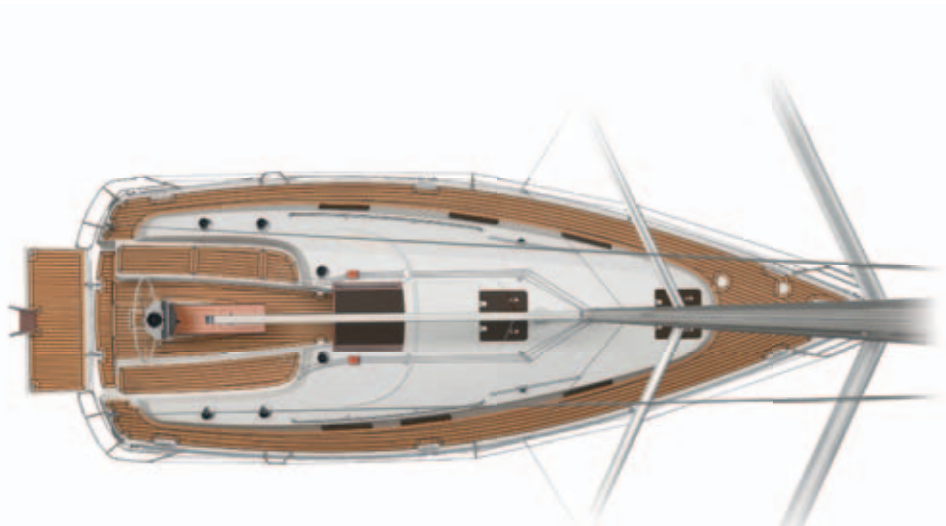

---

# AT LAST: A DREAM YACHT THAT ISN'T JUST A DREAM.

---

“When devising the Cruiser series we paid special attention not to break with the past successful Cruiser design ideas while moving forward with a modern and extremely clear layout of the new boats. Preferably, the design of the Cruiser series is to universally offer a consistent solution for the whole range of boats. In doing so, the Cruiser 32 is to provide the best possible use of space while adding to the tidy look and function-oriented aesthetics typical for the Cruiser.”

Laurenz Schaffer, Director BMW Group DesignworksUSA Munich

---

Sun? Bathing? Sunbathing! The generous bathing platform (1.90 x 0.75 m) completely decked with teak is an invitation to take a dip and relax. With the help of a telescopic ladder you can easily access the water. Thanks to the flush mounted hatches, there are plenty of beautiful places to sunbath on the foredeck.

When closed, the upper surface of the bathing platform is transformed into a comfortable helmsman seat, allowing for a harmonic and secure rear end of the boat. The roomy, clearly arranged cockpit can accommodate up to eight people. So: get on board, everyone!

# 32

CE Category	A
Length overall	9.99 m
Length hull	9.75 m
Length waterline	8.85 m
Beam overall	3.42 m
Sail area "Sport" (approx.)	50 m <sup>2</sup>
Height of mast above waterline (approx.)	14.8 m
Draught (approx.)	1.95 m/1.50 m
Unloaden weight (from approx.)	5,200 kg
Ballast (approx.)	1,300 kg
Fuel tank (approx.)	150 l
Water tank (approx.)	150 l
Cabins	2
Berths	4
Height in salon (approx.)	1.84 m
Engine	Volvo Penta D1-20, 13,3 kW (18 PS)
